

SILK

LEAH, KATRINA, NICHOLIS

SILK HAS BEEN ONE OF THE GREATEST CONTRIBUTIONS TO CHINA AND THE WHOLE WIDE WORLD. THE LEGEND SAYS THAT LEI ZU, THE WIFE OF THE YELLOW EMPEROR OF CHINA WAS SITTING UNDER A SMALL TREE. LEI ZU SAW SILKWORMS SPINNING THEIR COCOONS UP IN THE TREE. SHE FELT IT AND THOUGHT IT WAS GLISTENING, SHINING, SOFT AND FLEXIBLE. SHE THOUGHT THAT IF SHE THREADS OFF AND WEAVES CLOTHES, IT WILL MAKE BEAUTIFUL, AWESOME CLOTHES. THIS IS HOW SILK WAS INVENTED IN CHINA.

WE THINK SILK IS BRILLIANT BECAUSE IT'S REALLY COMFORTABLE, NICE, PRETTY AND HAS A LOVELY THE SMELL. IF THERE WASN'T SILK, WE WOULD WEAR ROUGH DRESSES THAT FELT LIKE WOOD AND OTHER CLOTHES WILL BE ROUGH AS WOOD, TOO!
